Item No.: WH #3

DIRECTOR: WHITE HOUSE SITUATION ROOM

SUBJECT: MIDDLE EAST MILITARY SITUATION

STAT

STAT

Israeli and Syrian forces exchanged heavy tank and artillery fire again for the seventh consecutive day yesterday. Tel Aviv said two Israeli soldiers were killed and three wounded in the action, which included the use of Soviet-made anti-tank rockets by the Syrians. As on the previous day, most of the fighting took place in the central and northern sectors of the Golan Heights front.

Preliminary reports from Syrian sources indicate that the clashes have resumed again this morning.
